Part A - Inmate Grievance

On January 4, 2011 I was on SHOS/IMR status. I remained so until January 13, 2011 when I was taken off by the Mental Health professionals at Lake C.I. (#312) where I was transferred on January 12, 2011. I did not receive all my property until February 18, 2011. That is the reason for the delay in this complaints appeal being submitted.

This is an ongoing issue of the mailroom. A review of the grievances submitted to date by myself will display the mailroom is very aware of these common errors. This is part of a campaign of violations to my First Amendment Right to Free Speech and confidentiality rights provided by FDC in Ch. 33-210, FAC.
